

BEXHILL MUSEUM

— Encouraging Discovery —

Sponsored Diamond Jubilee Jaunt

On **Saturday 2nd June** we are holding a sponsored walk to celebrate the Queen's Diamond Jubilee and to raise funds for Bexhill Museum. **The Jaunt will start at the bottom of Gallery Hill near the Fishing Club at 1pm.**

We will take a leisurely walk along the sea front, past the Colonnade and along to the finishing line at the Clock Tower on West Parade. There will then be refreshments at the Museum afterwards for all those taking part.

This is not a race but a *Jaunt*. **Everybody is welcome** to take part and join in whether you are at the peak of physical fitness, or just like a stroll along the prom! **Fancy dress is actively encouraged** with the **theme of either a historical period or something red, white and blue**. There will be prizes for the best fancy dress for those taking part at the Museum after the Jaunt.

The only criteria for taking part are **you must be sponsored to take part** and **you must have registered your participation with the Museum before 2nd June**.

The more sponsorship you can get the better!

Sponsorship forms are available from the Museum from **1st May 2012** and can be downloaded from the Museum's website www.bexhillmuseum.co.uk

We look forward to seeing you there!

This is a sponsored walk to help raise funds for Bexhill Museum. 2012 is a massive year for Great Britain and a time to celebrate our rich and diverse heritage. Bexhill Museum has a fantastic diverse collection ranging from geology and dinosaurs to motoring racing, costumes and modern life. By taking part in this event you will be helping to raise much needed funds to keep this wonderful place open for future generations.

We are an independent museum and registered charity relying completely on fundraising and admission fees to keep the doors open. Events like this are crucial and your continued support is gratefully received.

If you haven't visited us yet, please come and have a look around!
